

Policy on Marriages to be celebrated at Providence Forge Presbyterian Church

On the occasion that any two persons, one of whom must be a member of Providence Forge Presbyterian Church, request to be united in Holy matrimony to be performed on this Church's property, such persons shall be counseled by the Church's Minister as required by the Book of Order Article W-4.9002.

If, subsequent to counseling with the parties, Civil Laws of the Commonwealth of Virginia are satisfied, the Minister is persuaded of their candor and the Minister is of clear conscience and shall participate in the ceremony, the request to be married in a Christian Wedding on this Church's property shall be granted, with the proviso that no Christian symbol or fixture is compromised.
