

PFPC E-PISTLES

SEPTEMBER/OCTOBER 2016

With the lazy, hazy, crazy days of summer coming to an end, we look forward to the cooler and more comfortable days of fall. The PFPC church family had some great times over the last few months including the most successful 2016 version of Vacation Bible School and the annual church picnic, but the best is yet to come. September at PFPC means only one thing – Bluegrass Faith Festival!

September 17&18 – Bluegrass Faith Festival+ at Rockahock campground. Come join us at our 6th Annual BFF Celebration and support the past, present, and future of your Church! Two full days of faith, fellowship, and fun. Much more information at <http://www.pfpc.org/services/BluegrassFaithFestival2016.html>.

September 25 – Congregational meeting following the 11 am service for the purpose of electing elders for the coming year.

October 9 – New member Sunday.

Note – PFPC has returned to its regular Sunday schedule with Nexus@9, followed by Sunday School (10 am), and the traditional service at 11 am.

PFPC SPOTLIGHT!

Believe it or not this is the 6th annual Bluegrass Faith Festival that the PFPC Church in partnership with the great folks of Rockahock have sponsored to praise God and pass on the Fellowship! With that said, let us remember all the folks that have made this event such a success. It all starts with Norm Thompson who was a great and inspirational leader of BFF. Continuing with Pete Adamson, Carrie White, Kate West, and the current BFF Committee, this event is a shining example of God's work here on earth. Amen!
