IN GOD'S HANDS SERVICE CAMP JUNE 19-22, 2017

Our first service camp was held in the summer of 2009 at a camp east of Providence Forge. The campers slept in tents, and we were very lucky it did not storm on us. We relocated base camp to Providence Forge Presbyterian Church (PFPC). Through the years many of our PFPC youth and leaders have helped others in the community with minor home repairs.

In God's Hands Service Camp 2017 will be a "day camp" for adults and youth (rising 8th graders and older). Participants may choose to work either two or four days. The registration fee for two days will be \$50, and for four days it will be \$100. PFPC will provide financial assistance to a PFPC youth who attends this camp. See Jane VanDyke for details.

Applications and registration fees (non-refundable) are due April 2, 2017. The fees will pay for the materials needed to complete our projects. We will work from 8 a.m. until 4:30 p.m. daily. Each day will begin with devotions at the work site. Lunch will be provided.

Worksites in New Kent and Charles City Counties are selected by referrals from church members and friends. The sites are decided upon based on the need of the people living there and our ability to perform the job. We never charge anything for our services. People experienced in construction select our jobs and guide the participants daily.

Our church insurance covers our camp, although we have yet to need it. Youth and adults are required to provide proof of medical insurance. Safety is of utmost concern each day as participants work in a proper and safe manner to accomplish the day's mission.

The object of the camp is to experience the joy of doing for others, being God's hands and feet in New Kent and Charles City Counties. We'll also learn new skills and strengthen relationships.

If you have any questions, please feel free to contact Martha Martin, 932-3155 or Martinmartha678@yahoo.com. Hope to see you at In God's Hands Service Camp!

Sincerely,

2017 IGH Service Camp Team
