

*Good morning! Following the revisions of the COVID-19 restrictions by both the CDC and the Governor and the recommendations of the church's COVID-19 Response Sub-Committee, PFPC Session has made the following decisions:*

*Beginning on June 13, 2021, all fully vaccinated individuals are not required to wear masks for worship services. If you would still like to wear a mask, may do so. Also, social distancing requirements will be lifted – parishioners may sit where they are comfortable, beginning also on Sunday, June 13. Zoom and online worship will still be available for those who want and need it. These determinations were made based on the recommendations of both federal and state governments and took into consideration the diverse needs and opinions of the whole congregation. Throughout the pandemic the health and safety of church has been of primary concern of our church leadership. We appreciate your continued patience and commitment to our collective recovery efforts! Please stay tuned for more updates as they become available.*
