

IN GOD'S HANDS SERVICE CAMP 2022 November 12 - 18, 2022

This past summer, as you know, In God's Hands Service Camp built a ramp and small deck for Ms. Mary in Barhamsville. We had also planned to do a ramp for a lady in Charles City. We had visited the site and drawn up the plan to have it done. We did not have enough people to do it then, but we had told the lady we would be back. Now she is having great difficulty going up and down the stairs at her front door. What we propose is that we build that ramp beginning November 12.

Who do we need?

1. A **Site Foreman**, who has the skills and knowledge to follow the instructions and delegate to the workers.
2. People who can dig post holes—we need 17 dug on Saturday, November 12th.
3. Workers who have carpentry skills to build a ramp.
4. Workers who can follow directions and can lift 25 lbs.

We have some materials left over from the summer and we believe we have enough money to purchase whatever else we need.

Call Ruth Adams 804-317-5165 or Martha Martin 804-932-3155 to volunteer 1 or more days.
