

PFPC Food Drive

Benefitting the New Kent Elementary School
Otter Pack Food Program

This program provides pantry staples for families who need extra assistance. The food is packed in backpacks that the students take home each Friday on Monday. We are currently filling 25 bags each week.

Items Needed for April:

PLASTIC Jar or Squeeze Bottle of Mayo

Box of Crackers
(Ritz, Club, Graham, etc.)

You can drop off donations in the box located in the parlor or give them to Laura Richards.

Thank you so much for supporting this project!
