

Session Highlights: March and April

***This is the day that the Lord has made; let us rejoice and be glad in it
— Psalm 118:24***

The Session kicked off March with a retreat, on the beautiful Davis Farm. During the retreat, we discussed ways to improve unity in the congregation between groups of different ages. If you have thoughts on what would help you feel more connected to the rest of the congregation, we would love your suggestions!

This Lent and Easter season brought many opportunities for connection and worship in our church. Sunrise service is one of my favorite mornings of the year, and this Easter was no exception! Thank you to everyone who made that possible, and to everyone who participated in the Prayer Vigil. Those were wonderful opportunities to worship and reflect on Jesus' sacrifice, and the gift we've been given.

This spring and summer, there are many more opportunities coming up to worship, connect, and work with PFPC. Whether it's Vacation Bible School, In God's Hands Service Camp, a Bible study, or other upcoming events, I encourage everyone to look for an opportunity to spend time with their church family.
