

SUMMER COMMUNION SET UP WITH NO CHOIR
1ST SUNDAY OF EACH MONTH JULY, AUGUST, SEPTEMBER

Needs to be set up by 10:30 a.m.

2 loaves of bread (1 whole and 1 cut up in cubes) are made by Cathy Davis and left in the freezer and can be thawed in the microwave Sunday morning. If someone is at church on Thursday it can be taken out and put in the refrigerator. Call Kristel and ask her to do that if she is there.

Table coverings are hanging on the inside of the closet door and communion supplies are in a large storage container in the floor of the closet in the Parlor.

Place the whole loaf on the oval silver plate. Place bread cubes on 2 larger plates. The 2 larger plates will also hold a half loaf each after it is broken during Communion. Put 4 of the prepackaged wafer/juice cups on each plate for those who need gluten free.

Grape juice (64 oz.) is provided by Communion set up volunteer. Fill 2 trays with juice cups with Communion filler cup. 2 trays need 30 each. Stack the 2 trays and put on cover. Fill the chalice with juice about $\frac{3}{4}$ full. Numbers can be adjusted if attendance increases. **The pitcher is not used.**

Fill the at home kit with the prepackaged wafer/juice cups and set on the small table to the right side of the Communion table.

Place the small silver plate with a juice cup and piece of bread on the piano for Melody.

Pull out Communion table with enough room for the Pastor to stand behind it.

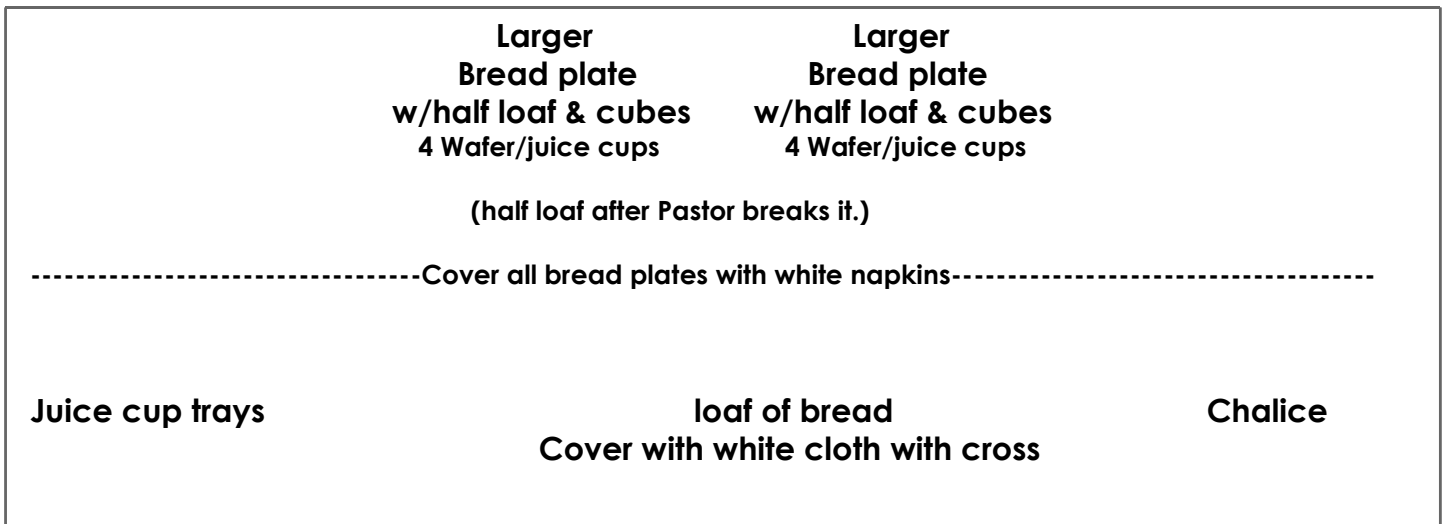

Place the large white cloth on the table and put items on it as shown below.

Cover the loaf with the white cloth napkin with cross on it.

Cover the bread plates with white cloth napkins. Cover the table with the large white cloth with cross on it.

After church, collect juice cups from pews and clear Communion items from Church to kitchen. Pack items back in storage box. If cloths are soiled, take home and launder and bring back the next Sunday. Leftover juice can go in the sink. Put original table cover back on the Communion table.
