

# **Providence Forge Presbyterian Church**

## **Policy On Buildings And Grounds**

Assures that the church is a good steward of all physical resources:

1. Oversees building and grounds upkeep;
2. Oversees all contracted services;
3. Oversees the use of all funds for facilities;
4. Determines when to close the church due to inclement weather.

The following pages were the original policy documents but were not followed.

They are included in case any of these become useful in the future.
